Obituary & Genealogy Requests

There is a **\$15.00** charge per individual name request for searching and copying each obituary. This fee covers staff time and we cannot guarantee that we will locate every name. We will be searching library archives, as well as Waupaca County Post, and Waupaca County Republican newspapers.

Neighboring municipality libraries keep their own newspaper archives.

Obituary & Genealogy requests are by **postal mail only**. Please include a self-addressed and stamped envelope and make out checks or money orders to the Library Associates of Waupaca Library.

Fill out the requested information below as completely as possible. If there is any additional information that may make our search more successful, please include it.

Name:

Maiden name:

Birth date:

Location of birth:

Death date:

Location of death:
