MISSION

The Waupaca Area Public Library is committed to offering opportunities for connection, innovation and engaged learning.

VISION

The Waupaca Area Public Library will be known as the community resource that promotes innovation, technology, collaboration, connectedness and all forms of literacy.

VALUES

Waupaca Area Public Library strives to be:

Inclusive - opening doors for increasing engagement

Responsive – collaborating with partners to meet community needs

Respectful – a welcoming environment, open yet private

Accessible – by offering up-to-date technology and resources available to all

Connected - starting conversations and creating community
