Exhibit Room Report

Respectfully Submitted by Liz Kneer, Exhibit Room Coordinator

Exhibit Room Agenda August 2021

We were excited to have our first in person exhibit room committee meeting since February 2020! We used the lower level meeting rooms to allow for social distancing and it was wonderful to be able to discuss upcoming exhibits in person. Nancy Miller retired this spring from the library, but volunteered to be part of our committee; she will be a great addition. The committee members helped finalize our schedule for 2021-2022 and had good feedback and ideas for our upcoming Beyond Borders exhibit. Our next meeting is scheduled for September 1, which is the same day we install Beyond Borders. We will likely discuss any upcoming agenda items while installing the exhibit and have our next meeting on October 6.

Ruth Wydeven and I have been working to finalize details for her exhibit, *Beyond Borders: Indigenous Art of Latin America*. Ruth lives in Colorado but has ties to the Waupaca area; she is excited to bring her nationally awarded artwork to the Exhibit Room. https://www.ruthwydevenart.com/

With Covid numbers rising in our county, I talked with Peg and agreed that the exhibit should move ahead but that any in person programming will be cancelled. I discussed this with Ruth, and she would like to go ahead with the exhibit, without the programming. We had always planned to have a 'virtual' walk through of the exhibit with Ruth, and we will use this is place of the in person programming. Ruth will be in Waupaca to install the exhibit on September 1 and stay to record our virtual programs.

Director's Report

July/August 2021

When I returned from my vacation in early August, the Pandemic metrics for our area had changed significantly in the wrong direction. On August 6 Patsy Servey attended a CHAT (Community Health Action Team) Meeting where Jed Wohlt, County Health Officer, reported some grim statistics and projections. He said that our area has clearly started moving backwards. He stated that by next week the CDC will move our county from Substantial to High transmission rate. The County officially moved from an area of substantial to high transmission on August 9. Jed Wohlt shared statistics for Waupaca County (as of July 6):

- 5 weeks ago we were at less than 1 new case per week
- Last week we were at 4 new cases per day
- Yesterday there were 15 new cases
- We have moved from 0 hospitalizations in the county to 12 hospitalizations currently

Thedacare shared that their researchers are predicting a significant spike. On August 5th, ThedaCare hospitals had 6 Covid-based hospitalizations.

To get up-to-date information use the Wisconsin Department of Health Services https://www.dhs.wisconsin.gov/covid-19/local.htm#activity or the Center for Disease Information Tracker https://covid.cdc.gov/covid-data-tracker/#county-view.

There is some good news, the vaccination rate is picking up both through ThedaCare and through Waupaca County Public Health.

The Management Team has been working on a Pandemic Response Plan based on the one created by Ellen Connor at the Manawa Public Library. I have attached it to my report and would ask that the Board discuss and consider adopting it.

ACTION ITEM: APPROVE Plan Determining Service Levels during Pandemic/Epidemic

Staff in charge of AV budget line items met to discuss getting started with **Hoopla**, the streaming service we have been discussing the last few months. We worked together to find a way to pay for the service this fall. We all agreed to take 30% of our remaining funds in physical AV line times to invest in Hoopla for our library patrons. The amount of the investment is \$1,800 which allows for about \$450 per month for the four months left in the year. We talked about limits per patron and would like to start with 3 downloads per month. We also talked about whether we should consider blocking patrons that do not support our library with their taxes. Hoopla has the ability to block patrons based on zip code, county or municipality. Our discussion did not come to a clear conclusion and we agreed to let the Board decide if patrons should be blocked.

Our plan for sustainability for 2022 is to use \$4,400 which is 35% of the total (physical) AV Line Items. If we find that the service is too popular and we are unable to pay for the full year at the rate it is being used we will ask our local funding agencies for funds to cover the costs.

ACTION ITEM: APPROVE investing in the Hoopla download service by moving \$1,800 from the AV physical line items to the Ebooks/Eaudio line item for Hoopla services.

The **Foundation** met on July 12. They agreed to fund a new computer table. The new table will work with an existing table we had for the microfilm machines. The newly configured tables will be outfitted with shelf/cages that house the CPUs, freeing up space on the table top for personal belongings. The microfilm machines have been consolidated and shifted to the area across from the Main Desk, next to the copy machine. The new configuration will allow for social distancing and comfort for the user. We have had a really good response the tall tables and stools located near the windows. The cost of the stools and tall tables is \$4,411.00 but we were able to get a credit (\$660) from Office Outfitters for chairs that were purchased for this area but are no longer needed. That brings the total to \$3,751. Because of the positive response to the tall tables, I will be bringing that forward to the Foundation in October.

In early August I entered the **capital projects** into the Plan-It software used by the City to track and vet improvements to City facilities. Right now the City Hall/Library lawn (estimate \$100,000) and cupboards for meeting rooms (\$10,000) have been placed it the schedule for 2022 with 50% of the cost to be provided by private donors. The other two projects, gender neutral restroom (\$20,000 estimate) and drive-up window (\$100,000 estimate) have been put in the schedule for 2027 and 2030 respectively. The projects will go the Council on August 17. I received assistance from Josh Werner on the technology and from Aaron Jenson on the project timeline.

Joleen Mullet, who is in charge of ordering **newspapers** and magazines, under my direction, created a survey for newspaper readers. We had a few people who people who responded. After looking at the responses and talking about the timeline for purchases yet this year we decided to cancel the Milwaukee paper which comes by mail, sometimes as much as a week late. It is almost \$500 a year. With the credit we will be able to pay for the Waupaca County Post and the Wisconsin State Farmer which come due this summer and fall. By the time we are making budget decisions we will have a pretty good idea if anyone is really missing the Milwaukee paper.

This year we have made a concentrated effort to **weed the Adult Collection**. Jan Popple has been working on the movies and music. I started with large print and fiction and have now progressed to non-fiction areas. Many of the travel guides are pretty old with low circulation rates. We are not looking to replace many of them since even the 2021 guides will be out of date as soon as they are published. Attractions and restaurants have closed or changed their policies or hours. The discarded items have been made available through the Friends' Book Sale. Book sales have been steady with Friends' Treasurer, Joann Fulcher, reporting \$700 in revenue in June and July.

Determining level of service during Pandemic/Epidemic

Pandemics are unpredictable and geographical areas can see fluctuations in cases through the duration of the event. Having the flexibility to move back and forth to different service levels allows the Library respond to orders and alerts issued by the state or county and to respond to conditions within the community and library. Service levels could change due to any of the following:

- Orders/advisories/alerts from state and/or county health departments
- CDC recommendations and advisories (cdc.gov)
- Disease Activity per Wisconsin Department of Health Services (dhs.wisconsin.gov)
- School district decisions about protocols and learning models
- Other county libraries moving to a different level putting strain on those libraries operating at a more open level
- Area healthcare systems under strain
- Availability and health of staff
- Current levels of library use and vulnerability of staff and patrons
- Vaccination rates
- Other Pandemic information as it becomes available

As long as cases are present some mitigation that may affect service levels will be in place. Possible mitigation protocols may include: requiring face coverings, (while making service accommodations); protective barriers; requiring social distancing; regular disinfecting of high touch areas; frequent handwashing or sanitizing.

The Library Board recognizes that the decision of moving to different levels of service may have to be made quickly as conditions during the Pandemic can change rapidly. The Library Director may make the decision to move back and forth in phases and at the next scheduled board meeting any changes in service phases will be reviewed.

Case activity level

The case activity level is a summary indicator combining burden and trajectory. The case activity level is either low, medium, high, or very high.

Burden	Trajectory	Activity level
Low	Shrinking	Low
Low	No Significant Change	Low

Burden	Trajectory	Activity level
Low	Growing	Medium
Moderate	Shrinking	Medium
Moderate	No Significant Change	Medium
Moderately High	Shrinking	Medium

Burden	Trajectory	Activity level
Moderate	Growing	High
Moderately High	No Significant Change	High
Moderately High	Growing	High
High	Shrinking	High
High	No Significant Change	High
High	Growing	High

Burden	Trajectory	Activity level
Very High	Shrinking	Very High
Very High	No Significant Change	Very High
Very High	Growing	Very High

The Library will close when instructed by county or state orders or there are not enough staff to stay open due to disease/quarantine. Library Director may amend hours temporarily if this can ease staff burden and keep the doors open for a significant number of hours. Meeting room availability may depend on quarantine protocols and storage needs.

The following are various levels of service during the pandemic based on CDC case numbers and trajectory (transmission rates).

July 2021 Adult Services Report

Adult Programs

I have continued my training as the new Adult Programming Librarian this month. We've continued the book discussions, and have been getting the Thursday Film Series with Dr. Jack Rhodes ready to return in September. On Wednesday, August 4, when the Management Team made the decision to have no in-person programming for the immediate future (as long as our County is still in the "substantial" category of COVID cases) we revised the plan for the film series to return to a "Film Lecture Series" with Dr. Rhodes, at least for the month of September. This can be changed back to the in-person film viewing if/when the situation warrants.

We will potentially start the "Tablet Time" program soon with the help of Information staff; and have discussed other programs throughout the Fall that could be presented as either a virtual or in-person format. We are also making plans for a library-wide exhibit that will memorialize the 20h anniversary of the events of 9/11.

On July 17 we held our monthly Book Discussion event led by Laura Jandacek. The group discussed *Education of a Wandering Man*, by Louis L'Amour. The majority in attendance did not like the book; however, there was a wonderful discussion as they discussed L'Amour's beliefs about writing, education and life in general.

Louis L'Amour was a prolific writer and shared many of his life experiences as well a bibliography of everything he read during his traveling days in this book. The latter wasn't well received by our readers, most were distracted by his book list. They also were not fans of the literary device used in this book, streaming of his consciousness .5 patrons attended virtually.

The next book discussion will take place on Saturday, August 28, with the book being *The Ride* of *Her Life by Elizabeth Letts*.

Upcoming Adult Program Schedule

Virtual Book Discussion

• August 28 - The Ride of Her Life by Elizabeth Letts led by Joni Radley.

Adult Circulation & Information Report

In July, Jan Popple completed a large weeding project in the Adult DVD collection. Weeding, or removing older materials that no longer circulate frequently, is a regular part of managing the library's resource collection. Jan was able to create space by withdrawing 453 movies/tv series which will be sold in the Friends of the Library book sale room. Additional space is still needed for the ever growing movie collection so Jan is now looking at sets and collections to find duplicates that can be withdrawn.

Joni Radley and I trained two new volunteers this month, Teresa McCausland and retired staff member Kathleen Daley. Both volunteers will be working weekly on preparing new books for circulation. Currently this is our greatest need and we are thankful to have two experienced book handlers.

I was able to take a two week vacation this month. I would like to thank my fellow library staff members for helping to cover my desk shifts, Peg Burington and Sue Abrahamson for covering my other duties.

I continue my work with the ThedaCare CHAT (Community Health Action Team) subcommittee on Social Connectedness as well as with the You Belong in Waupaca - Compassionate Community Initiative. This work meets the library's strategic plan goal of being a community connector through collaboration and engagement and the goal of increasing inclusive services. I hope to have a community asset survey to share in the coming months and would greatly appreciate your input for our community asset mapping project. I will also be inviting you to participate in a community conversation event to explore Waupaca as a safe, vibrant, resilient and connected community.

Children's Dept. Board Report – July 2021

We have brought back some furniture that we had in storage during the first part of the pandemic. We are also seeing more families visiting to choose their items themselves. There are still no toys/games out with the idea that we can limit families with small children from being in close proximity outside their safety bubbles. We continue to wish for a speedy vaccination option for those youngest of our book lovers (0- to 11-year-olds). We have also made our two department internet computers available again. There is still little or no usage.

Our curbside book packs slipped to only 15 in July – 11 for kids/families, 3 for classrooms/day care centers, and 1 teen request.

While attending a local City Band concert at South Park, I was reminded of the fun Children's March and that one child's name is drawn from the hat to lead the march. After the march that child is gifted with a small prize from the band. I immediately thought of all the neat music themed picture books and knew immediately that this was a partnership in the making! The band was excited to receive picture books for the weekly prize and announced the Library as a sponsor. Already looking forward to next summer's City Band concerts and a treasured collaboration.

We held our fourth annual Family Fun Day at the Historic Train Depot. This year's theme was learning about the special graffiti created by travelers after the Great Depression. Thousands of displaced people, many teenagers, rode the rails from town to town looking for work, a hand out for chores, or a safe place to sleep. About 80 folks took part in a hobo symbol scavenger hunt around the property having to look inside and out for the secret symbols.

We continue to post two virtual story times each month. These recordings are fun to make and we have heard many appreciative comments from parents. Molly has continued our interactive website (bitmoji) into the summer as well. It is a nice way to be able to share book titles virtually with our followers. We had an Olympic book display to help families learn more about the summer Olympic sports and Japan.

Outreach programming continued at three City Parks (Riverside, South Park, and Brainard's Bridge). Every day we are there, staff returns with stories of gratitude by parents and caregivers (many grandparents). We even were successful, after three days of trying, in getting a kid in a bubble! I hope you are following us on Facebook to get to see some of the fun photos of our summer outreach. In July, we provided programs in the park for 188 people in 8 programs, an average of 24 people attending each session.

Sunny Day teachers and administrators have been so welcoming and accommodating to our outreach story time and babygarten programming at their site. They bring the children outdoors and we share many early literacy activities with them, complete with natural distractions like frogs and planes. We provided programming to 267 people at Sunny Day in July, an average of 67 people at each program. We have plans to continue to visit their site for these programs until the weather makes it too difficult.

Respectfully submitted,

Sue Abrahamson, Children's Librarian

July 2021 Board Report Teen Department

(Above. Teens at their final Dungeons & Dragons event of the summer.)

We met with our Teen Volunteer Agents twice in July, and would like to meet again in August to repair the Historical Center's Little Free Library. Dates are still being determined, but we'll be sure to take pictures of the final project!

Our park and front yard programs had some wonderful turn outs throughout July. The first week we had 15 teens attend and create survival bracelets and receive some awesome survival book recommendations. Our second week, Lilly used her personal experience with game design and coding to teach teens about binary codes and bracelet making. Our third week mainly consisted of playing different yard games with our teens.

Our most popular program, and possibly one of the best stories from July was our Teen Dungeons & Dragons program led by our library volunteer and epic Game Master, Jeremy. We met every Friday and had, throughout the whole month, 40 teens participate. Most game sessions will have about 4-5 players, and ours would usually have 7-12 depending on their availabilities during the summer. After our final session on July 31st, we asked our players to fill out a short survey. 62.5% reported hearing about the event via word-of-mouth. We asked teens about what they thought went well, and what they think we should change. One reported, "It was great. I just hope that if we do it again it won't be a cliffhanger." And another reported, "I really liked it. I got to meet lots of new people." Taylor knows that two teens had just moved here from out-of-state, and by their second week they had become friends with a different player. After the final session wrapped up, these teens decided to continue the adventure on their own so they could continue to hang out with the people they'd met through this program. Taylor is excited to bring Teen Dungeons & Dragons back in some shape or form in September.

Bylaws—Organizing the Board for Effective Action

Bylaw Basics

Library board bylaws are the rules established by the library board that govern the board's own activities. Well-crafted bylaws help provide for the smooth and effective functioning of a library board.

Library board bylaws must comply with all relevant statutes. The sample bylaws attached to this *Trustee Essential* note the state laws that are relevant to library board operation. Wisconsin Statutes Chapter 43 includes rules for board appointments, board terms, election of board officers, board quorum, etc. (See *Trustee Essential #18: Library Board Appointments and Composition.*) In addition, all board meetings and board committee meetings must comply with Wisconsin's Open Meetings Law (see *Trustee Essential #14: The Library Board and the Open Meetings Law*). State and federal laws supersede any local library bylaw provisions.

At a minimum, library board bylaws should spell out:

- 1. The library board officers to be elected, how they are elected, and the powers and responsibilities of each officer.
- 2. When meetings are held, and how meetings are conducted.
- 3. What committees are appointed, how they are appointed, and what they do.
- 4. How the bylaws are amended.

A Few Specific Legal Requirements

As mentioned above, state and federal laws supersede any local library bylaw provisions. Below are some of the provisions of Chapter 43 you should be aware of as you review your board bylaws.

Generally, no compensation may be paid to the members of a library board for their services. However, board members may be reimbursed for their actual and necessary expenses incurred in performing duties *outside* the municipality if so authorized by the library board. In addition, members may receive per diem, mileage, and other necessary expenses incurred in performing their duties *within* the municipality if so authorized by the library board *and* the municipal governing body (county board for a consolidated county public library board).

Normally, a majority of the membership of a library board constitutes a quorum, but the library board may, in your bylaws, legally provide that three or more members constitutes a quorum. For library boards in First Class Cities, seven members constitute a quorum.

Annually, within 60 days after the date of the beginning of local library board terms, your library board must hold an organizational meeting and elect one of

3

In This Trustee Essential

- Why up-to-date bylaws are needed for effective library board operation
- How your board can develop or update their bylaws

your members as board president and also elect any other officers provided for in your bylaws.

Crafting Your Library Board's Bylaws

Because bylaws are so fundamental to effective (and legal) library board operations, great care must be taken when developing new bylaws or amending existing bylaws. Bylaw language must be clear and unambiguous. Imprecise language can result in confusion and disorder.

For example, confusion can result if it is unclear who has the authority to make decisions for the library. Library board bylaws should make clear that actions by board committees are advisory only. A library board committee cannot act on behalf of the full board—only actions by the full board have legal authority. Likewise, individual board members and board officers can perform official actions on behalf of the board only with specific authorization from the full board.

If your board wants to develop new bylaws or amend existing bylaws, it is recommended that a special committee be appointed to develop drafts for full board review. To change your bylaws, you must follow any procedures required by your current bylaws. Library system staff may be available to review drafts of new or amended bylaws.

Discussion Questions

- 1. Can our board bylaws provide for library board membership to individuals who are not appointed according to the relevant provisions of Chapter 43?
- 2. Can our board bylaws provide for term limits for library board members? What are the pros and cons of library board member turnover?
- 3. How can your board encourage good meeting attendance?
- 4. What could you do if a board member regularly misses board meetings?

Article I. Identification

This organization is the Board of Trustees of the _			
Library, located in	Wisconsin,	established	by the
Wisconsin municipality [or municipalities, and/or county] of,			
according to the provisions of Chapter 43 of the Wi	isconsin Stati	utes, and exe	rcising
the powers and assuming the duties granted to it u	nder said sta	tute.	

Article II. Membership

Section 1. Appointments and Terms of Office. Appointments and terms of office are as provided by the relevant subsections of Wisconsin Statutes Sections 43.54 [for municipal and joint libraries], 43.57 [for consolidated county public libraries], and 43.60 [for additional appointments by the county, based on the level of county funding].

Section 2. Meeting Attendance. Members shall be expected to attend all meetings except as they are prevented by a valid reason.

Article III. Officers

[Note: Wisconsin Statutes Section 43.54(2), requires the Board only to elect a president "and such other officers as they deem necessary."]

[Note: Wisconsin Statutes Section 43.58(7), allows a library board to elect annually a "financial secretary" who may be given the authority to invest library gift, bequest, devise or endowment funds as permitted under Wisconsin Statutes Section 112.10. The library board must require a bond from the financial secretary to the library board of a dollar amount at least equal to the value of property held by the financial secretary. The bond must be in substantially the same form as the bond required from the treasurer of the municipality or county. By statute, the financial secretary must make an annual report to the Board showing in detail the amount, investment, income, and disbursements from the funds in his or her charge. The Board may wish to require, in the Bylaws, monthly or quarterly reports in addition to the annual report.]

Section 1. The officers shall be a president, a vice president, a secretary, and a treasurer, elected from among the appointed trustees at the annual meeting of the Board. No member shall hold more than one office at a time. No member shall be eligible to serve more than two consecutive terms in the same office. Vacancies in

office shall be filled by vote at the next regular meeting of the Board after the vacancy occurs.

Section 2. A nominating committee shall be appointed by the president three months prior to the annual meeting and shall present a slate of officers at the annual meeting. Additional nominations may be made from the floor at that time.

Section 3. Officers shall serve a term of one year from the annual meeting at which they are elected and until their successors are duly elected.

Section 4. The president shall preside at meetings of the Board, authorize calls for special meetings, appoint all committees, execute all documents authorized by the Board, serve as an ex-officio voting member of all committees except the nominating committee, co-sign all checks drawn on funds held in custody of the library (independently of the municipality), and generally perform all duties associated with the office of president.

Section 5. The vice president, in the event of the absence or disability of the president, or of a vacancy in that office, shall assume and perform the duties and functions of the president.

Section 6. The secretary shall keep true and accurate minutes of all meetings of the Board, shall issue notice of all regular and special meetings, and shall perform such other duties as are generally associated with the office of secretary. The library director or a member of the staff may be designated by the Board to perform any or all of the above duties.

Section 7. The treasurer shall co-sign all checks drawn on funds held by the library, sign all vouchers for disbursements from the library fund, and perform such duties as generally devolve upon the office. The treasurer shall be bonded in an amount as may be required by a resolution of the Board, and not less than the value of any property held by him or her. The treasurer shall make monthly reports to the Board showing in detail the amount and investment of, and income and disbursements from, the funds in his or her charge.

Article IV. Meetings

Section 1. Regular Meetings. The regular meetings shall be held each month, the date and hour to be set by the Board at its annual meeting.

Section 2. Annual Meeting. The annual meeting, which shall be for the purpose of the election of officers, shall be held at the time of the regular meeting in ______ (month) of each year.

Section 3. Agendas and Notices. Meeting agendas and notices shall indicate the time, date, and place of the meeting and indicate all subject matters intended for consideration at the meeting.

Section 4. Minutes. Minutes of all meetings shall, at a minimum, indicate board members present, all items of business, all motions (except those that were withdrawn), and the result of all votes taken. Current board minutes shall be posted on a bulletin board in the library.

Section 5. Special Meetings. Special meetings may be called at the direction of the president, and shall be called at the written request of ______ members, for the transaction of business as stated in the call for the meeting. Except in cases of emergency, at least 48 hours notice shall be given. In no case may less than two hours notice be given.

Section 6. Quorum. A quorum for the transaction of business at any meeting shall consist of ______ members of the Board attending the meeting. [For municipal and joint libraries, see the requirements of Wisconsin Statutes Section 43.54(1)(e). For consolidated county public libraries, see the requirements of Wisconsin Statutes Section 43.57(5)(c).]

Section 7. Open Meetings Law Compliance. All Board meetings and all committee meetings shall be held in compliance with Wisconsin's open meetings law (Wisconsin Statutes Sections 19.81 to 19.98).

Section 8. Parliamentary Authority. The rules contained in *Robert's Rules of Order*, latest revised edition [or *The Standard Code of Parliamentary Procedure* by Alice F. Sturgis], shall govern the parliamentary procedure of the meetings, in all cases in which they are not inconsistent with these bylaws and any statutes applicable to this Board.

Article V. Committees

Section 2. Nominating Committee. (See Article III, Section 2.)

Section 3. Ad Hoc Committees. Ad hoc committees for the study of special problems shall be appointed by the president, with the approval of the Board, to serve until the final report of the work for which they were appointed has been filed. These committees may also include staff and public representatives, as well as outside experts. [Examples of possible ad hoc committees are Planning and Automation.]

Section 4. No committee shall have other than advisory powers.

Article VI. Duties of the Board of Trustees

Section 1. Legal responsibility for the operation of the____

Public Library is vested in the Board of Trustees. Subject to state and federal law, the Board has the power and duty to determine rules and regulations governing library operations and services.

- **Section 2.** The Board shall select, appoint and supervise a properly certified and competent library director, and determine the duties and compensation of all library employees.
- **Section 3.** The Board shall approve the budget and make sure that adequate funds are provided to finance the approved budget.
- **Section 4.** The Board shall have exclusive control of the expenditure of all moneys collected, donated or appropriated for the library fund and shall audit and approve all library expenditures.
- **Section 5.** The Board shall supervise and maintain buildings and grounds, as well as regularly review various physical and building needs to see that they meet the requirements of the total library program.
- **Section 6.** The Board shall study and support legislation that will bring about the greatest good to the greatest number of library users.
- **Section 7.** The Board shall cooperate with other public officials and boards and maintain vital public relations.
- **Section 8.** The Board shall approve and submit the required annual report to the Division for Libraries and Technology, and the [city council, village board, town board, county board, and/or any other governing body].

Article VII. Library Director

The library director shall be appointed by the Board of Trustees and shall be responsible to the Board. The library director shall be considered the executive officer of the library under the direction and review of the Board, and subject to the policies established by the Board. The director shall act as technical advisor to the Board. The director shall be invited to attend all Board meetings (but may be excused from closed sessions) and shall have no vote.
